“The Heart of Community”

Bloomington Spiritual Life Center

Statement of Vision and Purpose

The Bloomington Spiritual Life Center's vision and purpose is to create and sustain a community where the body, mind and spirit of the people within the community are cared for and nourished. This is accomplished through the recognition that each of us emanates and lives out of the one overflowing creative force in the universe ~ Love.

Bloomington Spiritual Life Center partners recognize and live three core values:

☯ Agapé ~ understanding that every human has inherent value as a spiritual being and is ultimately an expression of the creative force of the universe ~ Love.

☯ Ahimsa ~ embracing nonviolence in our interactions with each other and with all other expressions of the creative force.

☯ Agency ~ remembering that each of us, as unique individuations of the One, has in every moment the gift of choice in our thoughts, speech and actions.

Bloomington Spiritual Life Center's offerings encourage and empower people to live heart-centered, powerful and joyous lives, expressing our creative potential in our everyday lives.

The Bloomington Spiritual Life Center community is invited to practice gratitude, direct communication and service as spiritual disciplines that grow ourselves and our community.

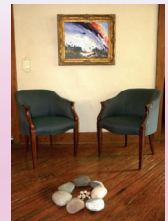

Bloomington Spiritual Life Center offers:

- Convenient location and parking in downtown Bloomington
