

Each of us walks a path leading to the realm of spirit, the land of the ancestors; Divine Warrior Training provides wisdom and tools to help the journey become a powerful, meaningful gift to the world, a journey of consciousness and intention. —Malidoma P. Somé, PhD
elder, author, teacher

In this book Thomas has provided a concise and eloquent framework for contemplating divinity and a potent set of exercises for personal clearing and for embracing and living one's divine legacy. This book is a resource that can truly be utilized as a personal training manual for awareness of and connection with one's divine nature.

Are you part of the divine?

Divine Warrior Training provides us with the framework and tools to reconnect us to our divine legacy, heal our wounds, and manifest the divine in the world. The time is now for us to expand our consciousness to move

- From wounding to healing
- From judging to embracing
- From finding differences to remembering sameness

We are the divine! This book will assist us in thinking, acting and speaking out of our divine essence! Section 1 provides the framework and Section 2 provides tools for applying Divine Warrior Training to our lives.

No matter what path of awakening we are walking, this book encompasses and celebrates our path. Whatever our current understanding of the divine, this book will affirm, challenge, and expand us.

**Are you ready to live out more fully
your divine essence?**

If you are, come join us on this path of healing – the path of the Divine Warrior.

Divine Warrior Training contains the essence of the ancient esoteric yoga teachings without the veil of esotericism. The beauty of the book is that it preserves the "mystery" while making eternal truths accessible and applicable to the spiritual seeker.
